USER MANUAL

Section 1 Product description

The **KIZTEKK Baby Playpen** provides a secure indoor space for one child (approximately 0–24 months, up to 15 kg). Designed for domestic use only, it features breathable mesh panels for good visibility, non-slip suction cups for improved stability, and durable Oxford 300D fabric panels. This product is intended for supervised use in a safe environment and is not suitable for sleeping.

Ensure that all the following parts are included before assembly:

No.	Part	Qty
1	Playpen frame (tubes + connectors)	1 set
2	Fabric enclosure with zipper door	1
3	Foldable mat + storage bag	1
4	Support rings	4
5	Travel bag	1
6	User manual	1

Section 2 Safety Information

IMPORTANT! Keep for future reference.

WARNING - General Warnings

- Do not leave the child unattended. Do not use outdoors.
- Do not use when the child can climb out or exceeds 15 kg.
- Do not place the playpen close to an open fire or other heat source.
- Do not use the playpen without the base.
- Do not add mattresses or padding.
- Do not hang bags or heavy objects on the frame.
- Ensure all joints and locks are secure before each use.
- Never lift or move the playpen with a child inside.

Additional Safety Information

- The floor mat is a comfort accessory and is not a toy.
- The pull-up rings are functional accessories intended to assist the child in pulling up to a standing position.
- The pull-up rings must be used only under direct adult supervision.
- Assembly must be carried out by an adult.
- Regularly check that all parts and locking devices are functioning correctly.
- Remove large toys when the child is able to stand to prevent climbing.

Section 3 Assembly and Setup

Ensure all parts are clean and undamaged before assembly.
Fit accessories (mat, rings, bags) after the frame.
Design may vary slightly from illustrations.

3.1 Before assembly

Check all parts are clean, undamaged, and free of sharp edges.

3.2 Assembly steps (use the picture provided on page 1)

1/ Lay out all parts on a flat surface.

2/ Connect base tubes **3** using corner **4** and side connectors. **7**

3/ Insert vertical tubes **1** then attach the upper frame **2**.

Using the upper corner **6** and side connectors. **5**

4/ Wrap the fabric around the frame, fasten all Velcro and close zippers.

5/ Place the mat inside and ensure the zipper is closed.

6/ Confirm the structure is stable and all joints are locked.

Tip: use original parts only; do not hang heavy items on the frame.

Section 4 Use, Care, Storage & Disposal

4.1 Usage Guidelines

- Indoor use only on a flat, stable surface away from windows, cords, or heat sources.
- Keep the zipper closed during use; never leave the child unattended.
- Do not add extra padding or allow climbing.
- Check fabric and joints regularly; use only original parts.

4.2 Cleaning & Maintenance

- Wipe with a damp cloth and mild soap. Do not use bleach or solvents.
- Air-dry completely before storing. Do not machine-wash or tumble dry.

4.3 Storage & Disposal

- Store in a cool, dry place away from sunlight and humidity.
- Follow local recycling rules for disposal of packaging and materials.

4.4 Spare parts

Tip: When replacing a connector or suction cup, if the suction cup is difficult to insert, immerse it in warm water (about 40–50 °C) for 1–2 minutes to soften it slightly before assembly.

Do not use boiling water or direct heat sources.

Section 5 Technical & Compliance Information

5.1 Technical Details

- Dimensions: 150 × 150 cm (playpen size).
- Weight: Approximately 6.1 kg.
- Manufacturing Country: Made in China.

5.2 Compliance Information

The baby playpen is a childcare article compliant with Regulation (EU) 2023/988. It complies with EN 12227:2010 applicable to children's playpens.

The corresponding Declarations of Conformity are available on request.

5.3 Manufacturer / Importer
